

Nuno Felted Scarf with Judy Pascale

Join Judy on Saturday, June 27th from 10am - 5 pm and

Learn the Art of Nuno Felting.

In this class you will be taught the Japanese art-form of Nuno Felting. Using your hands to coax roving fibers to penetrate a piece of silk, you will create a highly textured lightweight scarf that drapes beautifully.

You will also learn how to accent this scarf using hand dyed silk hankies and/or contrasting colors to personalize your one of a kind scarf.

You will also learn various ways of wearing your scarf to keep it secure and in place.

This sold-out class at Stitches East (\$190) is available for \$100 at Creative Fibers, and the cost includes all materials.
